

Client Testimonials

Web Services & Web Based Solution Provider

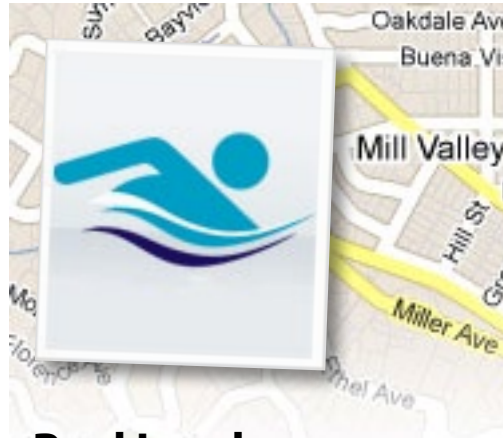

We Don't Advertise ourselves. Our Happy Clients do that for us.

Shawn Kummer

Manager, Digital Media,
Pillar Data System

“ Our website is central to our business success and is considered to be a work in progress. With a never ending emphasis on development and improvements, and based on Multidots performance to date, we anticipate a continued and long business relationship. I would highly recommend Multidots for all levels of website development.

Paul Lundgren

Owner,
Distance Swimming

“ Multidots exceed my expectations. There are three important elements when outsourcing contract work. The first is communication. Through every phase of my project I received daily updates. The second is timing. Multidots defined time lines and delivered on or before every date promised.

Priscilla Chan

Founder,
Speakers Connect

“ Multidots has helped us to improve our website and we are extremely impressed by the team's efficiency, professionalism, technical knowledge and devotion. Multidots continuously complete the tasks ahead of schedule, and provide concrete feedback on how can we make our website even better. We are very happy about Multidots services.

Curt Ranta

CEO,
SoCal Better Homes

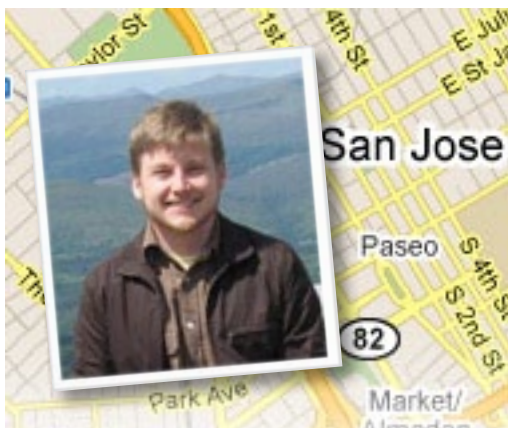

“ Multidots has done an excellent job in communicating and executing on bringing our vision to reality through their programming efforts. We will definitely use them again in future projects.

Client Testimonials

Web Services & Web Based Solution Provider

We Don't Advertise ourselves. Our Happy Clients do that for us.

Drew Spencer

CTO & Co-Chairman,

BlurbIQ

“ Multidots delivered our projects consistently to spec, and exceeded expectations when it came to creating an attractive presentation for our users. Communication between their team and ours was strong throughout the process.

Erin Ploss-Campoamor

Filmmaker & Director,

Undocumented Films

“ Multidots was a pleasure to work with. Everyone is professional, courteous, reliable, and delivers exactly what they promise.

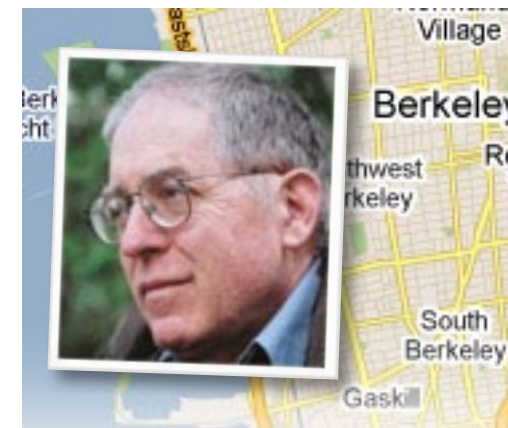

Jeremy Luebke

Merchant Processing Manager

One Technologies

“ Hired Multidots under an hourly contract and worked with for many months. Good rates, quality work, great communication. They worked on a pretty large PHP / CakePHP project for us and also did some design work. Will use again.

Dennis Rivers

Communication Skills Trainer,

New Conversations

“ The Multidots crew are very professional and competent.

We Don't Advertise ourselves. Our Happy Clients do that for us.

Tim Monkhouse

Owner,
Idotees.com

“ I had a very good experience with Multidots and will contact them again with any future work. They understood my needs and responded promptly. The quality was excellent and they were able to adapt to my changes without missing a beat. Highly recommended! ”

Ken Yue

CEO,
Knowledge Beats

“ The Best of the Best! Great Response time to e-mails and was able to communicate via Skype - and that's a major Plus+!!!!!! I will highly recommend this team to others and will continue to do business with Multidots forever. Thanks for the Awesome work!!! Well Done!!! God Bless!! ”

Prashanta Mukherji

Owner,
Prashanta.com

“ Prashanta dot Com is delighted with the work by Anil and Aslam have done with their “A” team in Ahmedabad, India. For the record the whole site was designed, developed and delivered in about seven working days - working off a lot of “talking” on Skype. This was their first Silverstripe site project for Multidots. ”

Prashanta Mukherji

Director,
India Horizonz

“ Anil, Aslam and the team at Multidots have done a great job and through the journey we have transferred some of the Kiwi process and methodology capability to our technical team up there. The result a product that is greater than the sum of two. ”
